

Bushels Of Love Foundation

Please give us a hand and take part in a worldwide effort to help children around the world through the Bushels Of Love Foundation.

Give Just one bushel of your grain to charity and help children around the world that are starving, homeless, in need of medical care and so much more.

It is my mission as a young boy to show others that one person can help change the lives of so many if you just follow your heart. It is the mission of Bushels Of Love to change the lives of children around the world by giving them food, clothes, medicine, and care.

Ask your local Elevator or Coop about the foundation or go to our web site at www.bushelsoflove.org to find out more. You can also email us at caleb@bushelsoflove.org

Help us.. Help them, by supporting the mission of this foundation and giving just one bushel to charity.

Please spread the word to farmers and people everywhere to give us a hand and participate in the Bushels Of Love drive to brighten the lives of children everywhere around the world.

Where one bushel can be a peck and a hug around the neck for children everywhere who need that and so much more.

Thank you for your support...
